Re: Hoyle v. Dimond, et al.
08-CV-00347-JTC

Dear Judge Curtin:

I write to seek a modest extension of my deadline for filing my client's response to the defendants' motion for summary judgment. The current schedule requires filing by tomorrow, February 8, 2012.

The mass of documents which accompanied counsel's motion [over 630 pages] and the press of other matters have made a timely response extremely difficult. I have sought counsel's consent to an extension, but he was unable to give it.

I therefore request that the date for the filing responsive papers be extended to February 24, 2012.

Respectfully,

K Wade Eaton
