Bro Michael Dimond's 1996 Biblical End Times Prophecies

Is Dimond A False Prophet?

"But the **prophet**, who being *corrupted with pride*, shall speak in my name things that I did not command him to say, or in the name of strange gods, shall be slain. And if in silent thought thou answer: **How shall I know the word that the Lord hath not spoken?** Thou shalt have this sign: *Whatever that same prophet foretelleth in the name of the Lord, and it cometh not to pass: that thing the Lord hath not spoken, but the prophet hath forged it by the pride of his mind*: and therefore thou shalt not fear him." - **Deuteronomy 18:20-22** (Douay-Rheims)

"For our struggle is not against flesh and blood, but against ... the spiritual forces of evil ..." - Ephesians 6:12

In January 2020, after deciding that it was time to take the battle to the enemy (so to speak), I created a Twitter account (@crossroads_23) and have since then openly confronted Satan's Useful Idiots (MhFM) within the confines of a limited 280 character cyber arena.

To say the least, this Twitter experience has confirmed what I have believed all along; that being that MhFM is far more than just a cleverly disguised business of religion.

To say the least, this Twitter experience has confirmed what I have believed all along; that being that MhFM is far more than just a cleverly disguised business of religion.

Since the death of its non-Sedevacantist founder, Joseph Natale (1933-1995), MhFM has evolved, or more fittingly devolved, into becoming a rallying point of sorts, a sanctuary, for like-minded mentally challenged, disgruntled, self-abased, catholic narcissists who, outside of a few exceptions, can best be described as being:

- "a couple of cans short of a six-pack" (Idiom), or
- "Nucking Futs" (Euphemism)

The Dimond Brothers's end-times cult (MhFM) profess to be Sedevacantist but in reality they're actually a mediocre sized group of fanatic "Catho-Protestant" fence sitters who lack the courage to fully commit to the source of their religious delirium and jump off on the Protestant side of that fence.

I have tried repeatedly to persuade MhFM's Twitter Imps (Dimondites) of the need for them to stop their vile ranting, take a deep breath, and re-read Canon 17 of the Council of Chalcedon (451), concerning monks, which clearly condemns those like MhFM, for:

- Illicitly establishing a monastery without a canonical provision (authorization from their local Diocesan Bishop + the Holy See),
- Their non-sanctioned interference in church and/or public affairs, and
- The non-sanctioned commercialization of their self-biased religious opinions / material on social media.

"And That's What's Going To Happen!"
Bro Michael Dimond's 1996 Biblical End Times Prophecies
Is Dimond A False Prophet?

Yet no matter how hard I try, Dimondites refuse to believe that this specific traditional directive of the Church Fathers is still in force.

Council of Chalcedon (451), Canon 17

“To those who truly and sincerely enter on the solitary life we accord the honor that is owed to them. But since some people use a cloak of monasticism to disrupt both the churches and public affairs, it is decreed that no one is to found a monastery contrary to the will of the bishop of the city, nor on an estate contrary to the will of the master of the estate. Those who practice monasticism in each city and territory are to be subject to the bishop, and are to embrace tranquility (Hesychia) and devote themselves to fasting and prayer alone; they are not to cause annoyance in ecclesiastical or public affairs, unless indeed for some compelling need they be permitted to do so by the bishop of the city.”

"You can't reason someone out of something that they weren't reasoned into in the first place." — Mark Twain

I have also tried repeatedly to reason with these Dimondites of the need for them to take a closer look at their mentors who they believe are holy men, latter day prophets and/or the “Two Witnesses” spoken of in Revelations 11:6.

I hope and pray that just possibly the following video will at long last provide adequate proof to MhFM’s loyal base that Frederick (a.k.a. Brother Michael) Dimond, who purports to be “sitting in the place of Christ” as MhFM’s Benedictine Superior ... is in fact a religious pretender, a charlatan ... a false prophet ... and should not be followed (Vitandus).

Please, keep in mind **Deuteronomy 18:20-22** when viewing this video:

"The prophet who presumes to speak a word in my name that I have not commanded him to speak, or who speaks in the name of other gods, that same prophet shall die. And if you say in your heart, '**How may we know the word that the Lord has not spoken?**' *When a prophet speaks in the name of the Lord, if the word does not come to pass or come true, that is a word that the Lord has not spoken; the prophet has spoken it presumptuously.* You need not be afraid of him."

Jesus said, "Beware of false prophets, who come to you in sheep's clothing but inwardly are ravenous wolves. Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven, but the one who does the will of my Father who is in heaven. On that day many will say to me, 'Lord, Lord, did we not *prophecy in your name*, and cast out demons in your name, and do many mighty works in your name?' And then I will declare to them, 'I never knew you; depart from me, you workers of lawlessness'" (Matthew 7:15, 21-23).

Biblical End-Times Prophecies
By Brother Michael Dimond, O.S.B
Most Holy Family Monastery

INTERVIEWER: Brother Michael Dimond, we're here at the Most Holy Family Monastery and we'd like to thank you for inviting us here.

We've heard that you've studied the "biblical end-times prophecies" and you done some research in regards to some of the matters that seems to disturb not just a few of us. We've seen things like destructions, of cataclysmic weather, and we've seen things like problems with hurricanes, and earthquakes, and we really wondered if this really is the end-times? And we've heard of all types of things happening in the world. And many of the things, some of the countries are doing some things that are "predicted", bad things.

F-BMD: There are a lot of people who say that we don't live in the last times. They don't believe that. To me, it's a blindness; it's a complete blindness. They don't realize or recognize, they can't comprehend or understand where we are and where we're going; that the times that we live in are unparalleled economically, politically, socially, religiously (as far as the church goes), and every way. We're coming to a point; which I believe absolutely to be the time, the End of the Age, and that the Great Chastisement is going to befall us in the next few years; in the, let's say, the next 5 years.

=====

"And That's What's Going To Happen!"

Bro Michael Dimond's 1996 Biblical End Times Prophecies

Is Dimond A False Prophet?

CROSSROADS: It is critically important for the viewer of this video to note well that Frederick (a.k.a. Brother Michael) Dimond is sitting there in his mail-order black Benedictine monks' habit speaking in the capacity of a "Benedictine Superior"; speaking as a person as declared in the Holy Rule of St Benedict:

"The Abbot who is worthy to be over a monastery, ought always to be mindful of what he is called, and make his works square with **his name of Superior**. For **he is believed to hold the place of Christ in the monastery** ... Therefore, the Abbot should never teach, prescribe, or command (which God forbid) anything contrary to the laws of the Lord; but his **commands** and **teaching** should be instilled like a leaven of divine justice into the minds of his disciples."

Thus, when Dimond states that "the End of the Age, and that the Great Chastisement is going to befall us in the next few years; in the, let's say, the next 5 years", he is declaring (prophesying) as a Benedictine Superior, sitting in the place of Christ, that these things will come to pass no later than the year 2001.

=====

INTERVIEWER: I've heard some pretty disturbing things of communist countries like China doing things with children, with aborted fetuses, and I think, from just looking at the information that you've shown us, that the world would find this very interesting. And this is a direct threat to anyone who loves children.

F-BMD: Sure. But the thing is, we're moving at a clip. We abort 55-65 million a year, that's surgically, that doesn't count contraception that phases out some 100s of millions of other babies that would come to life.

But, what's interesting now is, you have a country like China, that I'm about to go into, that eats ... the people there are eating aborted fetuses. And the fact that China is given the "most favored nation" trading status.

According to Nicholas Kristof and Sheryl WuDunn, who wrote the book "[China Wakes](#)", they documented that cafeterias in China are serving "human flesh". They also explained that they saw human bodies hanging on hooks like sides of beef in a butcher shop.

INTERVIEWER: I mean, how can we even believe that this kind of thing is happening? I mean this is abomination.

F-BMD: Well, the thing is, it's happening and I can document it. The Hong Kong "[Eastern Express](#)" newspaper published the findings of reporters from its sister magazine in "[East Week](#)" on April 12, 1995. The "East Week" reporters traveled across the border to Shenzhen, China, to investigate these rumors of cannibalization. They investigated one of China's healthcare centers and the spoke to doctors from the state run Shenzhen healthcare for women and children. These doctors explained to the reporters ... they gave their favorite recipes. And not only that it was happening, but they gave their favorite recipes and

"And That's What's Going To Happen!"

Bro Michael Dimond's 1996 Biblical End Times Prophecies

Is Dimond A False Prophet?

extolled the health benefits of consuming the bodies of aborted babies. These doctors confirmed, in fact, that they were able to obtain, free of charge, a bottle filled with tiny babies.

Now, one female doctor told the reporters that they had 10 fetuses from abortions they performed that morning. She said "You can take them. We're a state run hospital and we don't charge. Normally, we doctors take them home to eat. Since you don't look well you can eat them", she said.

Even though these babies were given away, the going rate for these children right now go from \$1.28 USD to as much as \$1.38 in a private clinic.

Doctor Quin Zing (?) at the **Houlong Clinic** told reporters that aborted babies are wasted if they don't eat them. The "East Week" reporters were given specific directions on the best type of body to use and the best way to cook him or her. One doctor expressed a preference, she said, for children of young women; and even better, the first baby, and a male.

This doctor, this female doctor, claimed she had eaten about 100 bodies in the last 6 months. She continued with a detailed explanation of how to prepare them. She said "I wash them in clear water until they look transparent white, and then stew them, making soup is best. They carry a heavy order that for some may be hard to tolerate."

And then another doctor said "they can make your skin smoother, your body stronger, and are good for the kidneys.

So this is an abomination that's happening. And of course our government, it may surprise some people but it doesn't surprise me, that we give them the "most favored" trading status.

=====

CROSSROADS: Wow ... being an avid "Pro-Life supporter, I was shocked and appalled by Dimonds claim. Yet after doing a bit of research I believe he could have made his point by sticking to his statement that: "We abort 55-65 million a year, that's surgically, that doesn't counting contraception that phases out some 100s of millions of other babies that would come to life."

There was no need to use tabloid sensationalism to rile up his viewers and to falsely accuse, bear false witness against the Chinese Government, accusing them of condoning the "cannibalization" of aborted fetuses.

In a **2018** article entitled "Do They Eat Babies in China?" written by David Emery (an internet folklore expert and debunker of urban legends, hoaxes, and popular misconceptions; writing for the internet definitive fact-checking resource ... Snopes.com), he states:

- "The truth is that the Chinese, in general, are no more inclined to eat human children than people in any other part of the world."

"And That's What's Going To Happen!"

Bro Michael Dimond's 1996 Biblical End Times Prophecies

Is Dimond A False Prophet?

- "The same holds true for Jews, Christians, "Gypsies," witches, aborigines, Satanists, and all the other ethnic and religious groups accused of practicing this bloody "custom" referred to as "Blood Libel" down through the centuries. There's simply no evidence that it exists, or has ever existed, anywhere on the planet."
- "The notion that killing and eating human babies or fetuses is an accepted practice within certain groups is essentially a modern version of the ancient form of bigotry known as "blood libel," which consisted, historically, of one group accusing another of murdering infants in ritual sacrifices. The Greeks accused the Jews of doing it; the Romans accused the Christians of doing it; according to the Christians, it really was the Jews who did it—and so on, since time immemorial."
- "There's no reason to suppose the government of China is any more tolerant of cannibalism than governments anywhere else."

What part of Canon 17 directive, "... Those who practice monasticism in each city and territory are to be subject to the bishop, and are to embrace tranquility (Hesychia) and devote themselves to fasting and prayer alone; they are not to cause annoyance in ecclesiastical or public affairs, unless indeed for some compelling need they be permitted to do so by the bishop of the city.", doesn't MhFM understand?

=====

F-BMD: So the question is: "Is God going to be continued to be mocked?" The Book of Wisdom says "God is not mocked", and we deserve chastisement, and we're going to receive a chastisement.

This is what [Our Lady Akita of Japan](#) has stated. She stated very clearly on **October 13, 1973**, she said ... *if men do not repent and better themselves, the Father will inflict a terrible punishment on all humanity. It will be a punishment greater than the deluge, such as one will never have seen before. Fire will fall from the sky and will wipe out a great part of humanity, the good as well as the bad, sparing neither priests nor faithful. The survivors will find themselves so desolate that they will envy the dead. The only arms which will remain for you will be the Rosary and the Sign left by my Son.*"

Our Lady of Fatima said if her request weren't granted, several nations would be annihilated; but I'll talk about that in the future.

INTERVIEWER: People who are planning this takeover of our world, we've heard it called a "New World Order." In fact on a dollar bill you can find "[NOVUS ORDO SECLORUM](#)" [Latin: New Order of the Ages]. Can you tell us about that?

F-BMD: Right. On your one dollar bill, this is actually put on in 1933 by [Henry Wallace](#) and [F.D.R.](#) who designed the one dollar bill. And if you look at the top it says "[ANNUIT CŒPTIS](#)"; which means "Announcing the Birth of", and at the bottom you see "NOVUS ORDO SECLORUM"; which means you gave "**New World Order**". So, you have "**announcing the birth of the new world order.**"

"And That's What's Going To Happen!"

Bro Michael Dimond's 1996 Biblical End Times Prophecies

Is Dimond A False Prophet?

Now, what's interesting is, you mentioned, as far as these powerful people, that's who is behind it, this is the "Enlightened Ones", the "[ILLUMINATI](#)", that's really behind this ... these "Light Bearers", these "LUCIFERIANS".

But anyway, on this pyramid, if you look at the roman numerals encrypted at the bottom block here of the stone; that's not the foundation of the country. That's not July 4, 1776. It states in there, if you decipher that, it comes to May 1, 1776. And what was started on May 1, 1776; the "ILLUMINATI", by [Adam Weishaupt](#), a Bavarian German. It has nothing to do with the United States of America. And this is all about the "New World Order". They announce the birth of it in 1933 and in the middle to late 1990s, by the year 2000 they're going to bring it to total ... (?).

=====

CROSSROADS: Hold on a minute, Brother Michael, you're statement that **MDCCLXXVI** represents May 1, 1776 is an outright falsehood. Anyone using a Roman Numeral calculator like the one found on the internet at <https://www.romannumerals.org/converter> would quickly learn that:

MDCCLXXVI = 1776

(Year of America's Independence)

This type of pride filled foolishness is a prime example of why the Church Fathers at the Council of Chalcedon (451) stated in Canon 17: "... Those who practice monasticism in each city and territory are to be subject to the bishop, and are to embrace tranquility (Hesychia) and devote themselves to fasting and prayer alone; they are not to cause annoyance in ecclesiastical or public affairs, unless indeed for some compelling need they be permitted to do so by the bishop of the city."

=====

F-BMD: What else is fascinating on this is bill here, you have on the other side ... **13** is a "Satanic" number. It's used by witches. It's used by warlocks. That is their "number" ... **13**. I've read in books that "Satanic" covens have **13** witches. And after they've gone through **13** witches they start a new coven. So, **13** is their number. It's all this symbology.

On the United Nations on their wreath they have **13** leaves on each side. But on the dollar bill you have:

- **13** rows of block [Pyramid],
- **13** letters at the top here [ANNUIT CCEPTIS]

And going on over her you have:

- **13** stars,
- **13** stripes,
- **13** arrows,

"And That's What's Going To Happen!"

- 13 leaves,
- 13 olives,

CROSSROADS: Dimond is infatuated (possessed) by end-times doom and gloom.

Go on the internet to [Affinity Numerology: Number 13 Meaning](#), and you will find:

“The number 13 is a number of focus and pragmatism. Its primary focus is building a secure foundation for the future.”

“As an overview, the numerology number 13's basic meaning or essence is a composition containing the ideas of:

- Focus
- Pragmatism
- Building a secure foundation
- Independence
- Creative self-expression”

In pushing his Luciferian conspiratorial agenda, Dimond has chosen to disregard completely the simple fact that the United States of America started with 13 colonies that were graphically depicted upon its original flag in the form of 13 stars and 13 stripes.

Thus, it is absolutely true that the number 13 was revered by America's forefathers and played a significant role in the country's development. But, to presume that the number 13 was chosen and used in some diabolical “Satanic” scheme is stretching the truth to its maximum limit ... and then some.

Okay, with the eagle you have 33 feathers on one side, 32 on the other side, representing the 32 and 33 degree “Freemasons”.

We are going to go under the **United Nations**. This is actually in “public law”. All we're following is public law. John F. Kennedy in 1961 signed in that we [USA] would go under the United Nations. He signed [Public Law 87-297](#). And you go to a local library and look at it; and you'll see very specifically in there, and it was adopted, this booklet here, “[Freedom from war: The United States program for general and complete disarmament in a peaceful world](#)”, State Department document 7277, signed by Dean Rusk [Secretary of State 1961-69]; in which it states very clearly that in three stages the United States and the Soviet Union; which back in 1961 were the sole super powers would be disarmed. And we'd move to a stage 2 situation where the United States and the Soviet Union would be disarmed to a point and the United Nations would be built up. And then we'd finally move to a stage 3 situation where the United

CROSSROADS: That's assumption is preposterous!

Here is the introduction to the document that Dimond claims to be a plot by the Illuminati to get the U.S.A. and Russia to disarm and relinquish their power to the United Nations; making it the World's sole "Super Power":

FREEDOM FROM WAR:

THE UNITED STATES PROGRAM FOR GENERAL AND COMPLETE DISARMAMENT IN A PEACEFUL WORLD

DEPARTMENT OF STATE PUBLICATION 7277

Released September 1961

"Introduction

The revolutionary development of modern weapons within a world divided by serious ideological differences has produced a crisis in human history. In order to overcome the danger of nuclear war now confronting mankind, the United States has introduced at the Sixteenth General Assembly of the United Nations a Program for General and Complete Disarmament in a Peaceful World.

This new program provides for the progressive reduction of the war-making capabilities of nations and the simultaneous strengthening of international institutions to settle disputes and maintain the peace. It sets forth a series of comprehensive measures which can and should be taken in order to bring about a world in which there will be freedom from war and security for all states. It is based on three principles deemed essential to the achievement of practical progress in the disarmament field:

First, there must be immediate disarmament action:

A strenuous and uninterrupted effort must be made toward the goal of general and complete disarmament; at the same time, it is important that specific measures be put into effect as soon as possible.

Second, all disarmament obligations must be subject to effective international controls:

The control organization must have the manpower, facilities, and effectiveness to assure that limitations or reductions take place as agreed. It must also be able to certify to all states that retained forces and armaments do not exceed those permitted at any stage of the disarmament process.

Third, adequate peace-keeping machinery must be established:

"And That's What's Going To Happen!"

Bro Michael Dimond's 1996 Biblical End Times Prophecies

Is Dimond A False Prophet?

There is an inseparable relationship between the scaling down of national armaments on the one hand and the building up of international peace-keeping machinery and institutions on the other. Nations are unlikely to shed their means of self-protection in the absence of alternative ways to safeguard their legitimate interests. This can only be achieved through the progressive strengthening of international institutions under the United Nations and by creating a United Nations Peace Force to enforce the peace as the disarmament process proceeds."

Check out: https://en.wikipedia.org/wiki/United_Nations_peacekeeping and then you tell me if this is the U.N. Super Power threat that Dimond is making reference to. Obviously ... the "Blue Helmets" are not a "threat" to anyone. Their job is to try and "keep the peace".

=====

And this is the "final" World Government. And this is predicted. The bible predicts certain things. The bible predicts these signs. I'm not going to get into the "Great Apostasy". St Paul talked about the antichrist coming after the apostasy, or the "*falling away*." But the bible predicts certain things.

- A **One World Government**,
- An **Antichrist**,
- A **False Prophet**, and also
- A **Ruler of Russia**.

Those are the main things that are going to be happening at the very end; and I'm talking about the very end. We're past everything else. We're past everything else. We're just at the final point, the final stage right now. That we're going to go under this "One World Government."

INTERVIEWER: Brother, if I am hearing you right, you're saying that our government leaders are actually turning us over to the United Nations and doing it systematically?

F-BMD: Yes. But before I go into that, I just want to go to the bible because the bible predicts this very clearly. In **Daniel 7:23** says: "*... The fourth beast shall be the fourth kingdom upon earth, which shall be diverse from all the kingdoms, and shall devour the whole earth ... and break it into pieces.*"

And **Revelations 13:1** mentions the Antichrist coming to power [*"And I saw a beast coming up out the sea, having seven heads and ten horns: and upon his horns, ten diadems: and upon his heads, names of blasphemy."*].

And **Revelations 13:7** it states that this Antichrist will take control of all kindreds, tongues, tribes and nations [*"And it was given unto him to make war with the saints and to overcome them. And power was given him over every tribe and people and tongue and nation."*]. That's a One World Government.

Okay, this is what's going to happen.

CROSSROADS: Dimond haphazardly tosses out a few “cherry picked” scriptures in a vaingloriously attempt to support his bogus end-times suppositions. But in so doing he’s failed to heed the words of Jesus Christ that sternly warned such false teachers against “adding to or subtracting from” the written word of the Revelation given to St John:

“For I testify to every one that heareth the words of the prophecy of this book: If any man shall add to these things, God shall add unto him the plagues written in this book. And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from these things that are written in this book.” - Revelations 22:18-19

Throughout the interview, to the risk of his eternal detriment and to that of those who follow him, Dimond repeatedly and presumptuously “adds to” and “subtracts from” the words written by St John in the book of Revelations.

=====

We’re going to have a One World Government. In Europe right now, this has been going on for a few years right now.

To show you that this is the whole thing they did in Genesis. They tried to establish a World Order and God destroyed them (Nimrod, with the **Tower of Babel**).

INTERVIEWER: This is amazing, this poster.

F-BMD: Right. In this poster you can see that they’re reconstructing the Tower of Babel, the old Tower of Babel, and they’re building a new Tower of Babel inside. And it says here: “Europe, many tongues, one voice.” It’s interesting that people are depicted as robots. So this is a whole Orwellian thing. And then you have at the top here these stars here, which are not stars at all. They’re “**Baphomets**”, it’s a goat’s head, the “**Goat of Mendes**” pointed down as you can notice towards ...

INTERVIEWER: It’s a satanic symbol.

F-BMD: Right. It’s a satanic symbol.

=====

CROSSROADS: Dimond fails to mention the well-known fact that due to the shocking speculative biblical and occult controversies that arose over the suppositions of that 1992 poster, created by some unnamed graphic designer for the Economic Council, it was officially “removed” from circulation.

But I digress...

Bro Michael Dimond's 1996 Biblical End Times Prophecies

F-BMD: So, they're very blatant with these things. They know exactly what they're doing. And this is what's happening.

But, going back to, as far as governmental leaders, especially in the United States, there are many quotes from them stating about a New World Order. Of course, **George W. Bush** started it all off with "Desert Storm" and "Shield"; where he bypassed Congress and went to the United Nations. Okay?

And in September 11, 1990, he delivered a talk which he entitled "**Towards A New World Order**", in which he said *"it is the sacred principles of the UN Charters which will henceforth pledge our allegiance to ... how out of these troubled times ... a new world order can emerge."*

Here are some other quotes, from some other people. These are New World Order quotes.

Former Nebraska State Senator **Peter Hoagland:** *"Bible believing people do not have the right to indoctrinate their children in their religious beliefs because we, the state, are preparing them for the year 2000, when America will be part of a one-world global society and their children will not fit in."*

David Rockefeller said: *"It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity during those years. But, the world is more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto-determination practiced in past centuries."*
[Speaking at the June, 1991 Bilderberger meeting in Baden, Germany (a meeting also attended by then-Governor Bill Clinton and by Dan Quayle)]

FDR [**Franklin Delano Roosevelt**] said back in the 1930s: *"In politics, nothing happens by accident. If it happens, you can bet it was planned that way."*

Robert Kennedy, former US Attorney General of the United States said: *"All of us will ultimately be judged on the effort we have contributed to building a New World Order."*

"The Constitution is gone", the Supreme Court Justice **James Clark McReynolds** said [1935].

Richard Gardner, Deputy Assistant Secretary of State said: *"an end run around national sovereignty, eroding it piece by piece, is likely to get us to world order faster than the old-fashioned frontal attack."*

And, of course people say, nobody credible is saying these things, and these people are all very credible.

But **John Paul II** himself stated: *"By the end of this decade we will live under the first One World Government that has ever existed in the society of nations ... one world government is inevitable."*

So we're going to go under a one world government, and in order to do that Americans are obviously not going to like having their rights taken away.

CROSSROADS: [Current global governance system](#)

“To date, there is no functioning global international military, executive, legislature, judiciary, or constitution with jurisdiction over the entire planet.

The world is divided geographically and demographically into mutually exclusive territories and political structures called states (countries) which are independent and sovereign in most cases. There are numerous bodies, institutions, unions, coalitions, agreements and contracts between these units of authority, but, except in cases where a nation is under military occupation by another, all such arrangements depend on the continued consent of the participant nations. Countries that violate or do not enforce international laws may be subject to penalty or coercion often in the form of economic limitations such as embargo by cooperating countries, even if the violating country is not part of the United Nations. In this way a country's cooperation in international affairs is voluntary, but non-cooperation still has diplomatic consequences.”

=====

INTERVIEWER: That means the Constitution is going to be thrown out the window.

F-BMD: That's right.

INTERVIEWER: That's like saying all of our rights are going to be taken away.

F-BMD: Right. That's exactly what's being said. Even if you look at the treaties, they're not agreements.

If you look at **NAFTA** for example [the [North American Free Trade Agreement](#)]; NAFTA was 2000 pages and **GATT** [[General Agreement on Tariffs and Trade](#)] was 27,000 pages. There are 200 individual treaties within GATT that according to the law that they should use, would have to be debated upon and then passed. But they just threw them into one big bucket and passed the whole thing. And so therefore what will happen, as you can see happening right now, it's eroding the economy very quickly. It's destroying the economy.

The final destruction is being put upon it as the corporations and companies are all moving to Mexico because obviously do they can pay these people a dollar (whatever), so American workers cannot afford to do that; so they don't pay those people. They pay the people down in Mexico. Americans lose their jobs.

So, this is what's going to happen. We're going to have an economic collapse, I believe.

CROSSROADS: St. Paul says, in the Acts of the Apostles:

"And That's What's Going To Happen!"

Is Dimond A False Prophet?

"I know that after my departure ravenous wolves will enter in among you, not sparing the flock; and of your own selves will rise up men speaking perverse things to draw away disciples after them." (Acts 20:29-30)

=====

F-BMD: And out of that instability, which will be created, which will happen, you'll have raids on stores. **You'll have like the L.A. riots all across the United States.** And you can just imagine in 1929 you had a Stock Market collapse, but back then people had morals. You did not have illegal immigrants as you have in the United States right now. And besides that, I'm going to go into how much foreign troops and equipment we have in the United States.

But the people back then had morals. But today it's ... they kill from you in daylight for a pair of sneakers or sunglasses. It's ridiculous. But this is what we're coming towards. But that's what will happen if we ever have an economic collapse, where the people can't get to the stores, they can't buy or sell, you're going to see people kill each other over a can of beans. This will indeed happen. And it's predicted and it will take place.

INTERVIEWER: Is this where the people are going to start begging for having more police coming in? I was looking at some of the materials that you're showing and this badge the United States Police, not a State Police ... but a United States Police.

F-BMD: Right. This is Senator [Charles Duke](#) from Colorado and he revealed this back in 1994. He called a meeting and he unveiled these new police badges that will be given across the country. He said they're authentic, He said, I cannot tell you my source where I go them, but they are authentic.

What's fascinating about these badges is, for example: there are two of them. The first one says the "United States Police". And in the center of it is a circle that says "[Federal Emergency Management Agency](#)" [FEMA]. Okay?

The Federal Emergency Management Agency only comes into play, comes into operation in an emergency situation. They manage the government emergency situations; like the Oklahoma City Bombing, or the floods in the mid-West, or hurricane Andrew. Okay?

INTERVIEWER: [The L.A. Riots](#)? [1992]

F-BMD: The L.A. riots.

So what's going to happen? What this badge is saying to any person, at least to any person who'd say that to me, I think it would say to any person with common sense; that the United States Police are going to be federalized and their going to be federalized and under the Federal Emergency Management Agency.

"And That's What's Going To Happen!"
Bro Michael Dimond's 1996 Biblical End Times Prophecies

And the second one you see here, "Police", and it says "Federal Protective Service", and you have the United Nations wreath around it. Okay?

What there saying is that it's going to be under the direction of the Federal Emergency Management Agency and the United Nations.

CROSSROADS:

"And he gave some apostles, and some prophets, and other some evangelists, and other some pastors and doctors: For the perfecting of the saints, for the word of the ministry, for the edifying of the body of Christ: Until we all meet into the unity of faith and of the knowledge of the Son of God, unto a perfect man, unto the measure of the age of the fullness of Christ: That henceforth we be no more children tossed to and fro and carried about with every wind of doctrine, by the wickedness of men, by cunning craftiness by which they lie in wait to deceive." - Ephesians 4:11-14

=====

F-BMD: And that's what's going to be happening.

INTERVIEWER: What about these regions that they're going to cut the country up into different sections?

F-BMD: Right. FEMA has cut the country up into 10 regions. And you can see on this map here; President Nixon did this on 3/27/1969, through the Government Reorganization Act, divides the United States into 10 regions to further implement this regional governance over the United States, President Nixon signs **Executive Order 11649** and entered into the Federal Register February 12, 1972. It says: "Through the authority vested in him as President of the United States he established a Federal Regional Council for each independent standard region". I stated that "... the President shall designate 1 member of each such council as chairman of that Council. And such Chairman shall serve with the pleasure of the President."

=====

CROSSROADS: Dimond errors again:

First of all, Executive Order (EO) #11649 concerned "Regulations governing the seals of the President and the Vice President of the United States."

Secondly, the EO that President Nixon signed on February 10, 1972 that referred to "Federal Regional Councils" was #11647.

Yet, more than simply getting the EO number wrong, Dimond failed to mention that EO #11647 was officially "revoked" (annulled) on July 20, 1979, by President Jimmy Carter's Executive Order #12149.

"And That's What's Going To Happen!"
Bro Michael Dimond's 1996 Biblical End Times Prophecies
Is Dimond A False Prophet?

Ask yourself ... why would Dimond do that?

=====

INTERVIEWER: The people are not going to vote for these people?

F-BMD: No, you're not going to vote. And not only that, but they're going to be patrolled by alien troops.

This is a map. It says the government plans alien troops to police the United States. This was adopted in 1952. This map adopted in 1952, in London, by the **World Association of Parliament** for a World Government show that alien [foreign] troops will occupy and police the 6 regions ... the United States and Canada divided. And this rolling World Parliament would decide everything. And so, according to this map you have all kinds of foreign troops in the United States.

=====

CROSSROADS: Dimond goes beyond the pale with this one.

The "**World Association of Parliament** was created in 1952 as an international federalist grassroots "movement" that formulated and issued statements of policy on world government, disarmament, the revision of the United Nations charter. It has never been and never will be in the same league with the U.N. and other "member state" run international organizations. That organization has since changed it's name to the "[World Constitution and Parliament Association](http://worldparliament-gov.org/wcpa) (WCPA)"; which now presents itself as a worldwide movement whose goal is to work with love and dedication for planetary peace, justice, freedom, and sustainability.

<http://worldparliament-gov.org/wcpa>

=====

F-BMD: So this is exactly what's going to happen. So you can see what they're trying to do right now. They're trying to get rid of your **gun rights**. This is exactly what happened, what Adolf Hitler did. In all countries where the people aren't free, they take away your right to bear arms. Okay?

So once that is gone from the American citizens ... I believe they're going to move in for the kill and slam dunking us into this New World Order. I really believe that why there's such an attack on the right to bear arms.

But in order to do this, you also need the people to go along with this. You have to have international troops. You have to have people that would go along with even firing upon American citizens. But you can see right here that even Marines now at 29 Palms, California, and at other bases across the country are given surveys:

- "Would they fire on American citizens?"
- "Would they serve under UN commanders?"

"And That's What's Going To Happen!"
Bro Michael Dimond's 1996 Biblical End Times Prophecies
Is Dimond A False Prophet?

- “Swear by the following that they were a UN fighting person?”

They had to answer all these questions. They had to answer agree, disagree, or strongly disagree. And it said 1 in 4 Marines would fire according to the test.

So, you know, you have a lot of things going on. You have foreign troops, this is all from [“The Spotlight”](#).

F-BMD:

- “Foreign Troops and GIs Train in the U.S.”
- “Russian GIs Train in the U.S.”
- “Russian Spetsnaz Troops in Pennsylvania”
- “U.S. Special Forces in Chechnya”

So we’re switching our troops and this is all in preparation to go under this One World Government because it’s easier for people from other ...

INTERVIEWER: We didn’t know that our U.S. troops went to Chechnya.

F-BMD: Right. Well, they’re going all over the place and it’s all under the United Nations. This is what’s happening, that Michael New, he was a medic, he refused in Macedonia to wear the U.N. badge and uniform, and he swore to uphold the U.S. Constitution, the United States not the U.N., and now they’re going to court martial him.

So, it’s a whole thing. They’re going to quell, stop, and destroy anyone who resists our transition to the New World Order. And this is exactly, we’re in a stage where we’re about to go under the United Nations in a One World Government.

That’s why you have thousands of complaints in newspapers, for example, people that have seen low flying unmarked helicopters. This is a picture back in 1985. You can see that the Marines were listed on this plane, this Marine plane, airplane back in 1985 that had markings.

But now if you look on the marine planes or any other forces they usually don’t have any markings on them. They don’t list “Marines”, or “Air Force”, or anything. The reason why is because they are under the United Nations. They don’t belong to the United States. So we have these strange things happening.

"And That's What's Going To Happen!"

Bro Michael Dimond's 1996 Biblical End Times Prophecies

Is Dimond A False Prophet?

We also have people like Russian Foreign [Defense] Minister **Pavel Grachev** who just triggered an implosion of a U.S. missile site that once housed a rocket that was ready to deliver a nuclear payload to Russia. So, Secretary of Defense, **William Perry**, and this Russian Defense Minister Pavel Grachev imploded a missile. So they're working together to destroy this stuff [[Cooperative Threat Reduction Act of 1992](#)].

=====

CROSSROADS: Dimond, even at that young age, is a "master" of manipulating half-truths.

What Dimond is referring to here is an action taken together by Russian Defense Minister **Pavel Grachev** and Secretary of Defense **William Perry** in compliance with the **Cooperative Threat Reduction Act (CTR)** of 1992 negotiated and agreed upon between the United States and Russia.

"As the collapse of the Soviet Union appeared imminent, the United States and their NATO allies grew concerned of the risk of nuclear weapons held in the Soviet republics falling into enemy hands. The Cooperative Threat Reduction (CTR) Program was an initiative housed within the Defense Threat Reduction Agency (DTRA). The CTR program is better known as the Nunn–Lugar Act based on the Soviet Nuclear Threat Reduction Act of 1991 which was authored and cosponsored by Sens. Sam Nunn (D-GA) and Richard Lugar (R-IN). This Act was created in 1986 in a congressional meeting. According to the CTR website, "the purpose of the CTR Program is to secure and dismantle weapons of mass destruction and their associated infrastructure in former Soviet Union states." An alternative explanation of the program is "to secure and dismantle weapons of mass destruction in states of the former Soviet Union and beyond"

=====

F-BMD: Now , You have **Mikhail Gorbachev** in San Francisco, at the Presidio, he's closing down bases, we're closing down all of our bases, and we're slicing our B-52 bomber up. And we're throwing our tanks into the ocean.

But, now, like I'm going to show you here ... we have all this "foreign" equipment in the United States. We have Russian T-72 tanks, for example. Here's a picture of a Russian T-72 tank at an Exxon station in Texas ... Stockton, Texas.

Here's more military equipment:

- A Soviet missile launcher in California.
- Russian Hind attack helicopters in Arizona.
- A Russian Frog missile launcher with a missile in place. This is in Louisiana.
- Russian Gecko Sa-8 surface to air missile system on Route 64 in Kentucky.
- Russian Scud missile launcher travels along in the U.S., it's a Soviet Scud-B missile system in New Mexico.

"And That's What's Going To Happen!"

Bro Michael Dimond's 1996 Biblical End Times Prophecies

Is Dimond A False Prophet?

This is an interesting thing. It doesn't show you it painted white, as they are now painted white; they deliver this in early 1994; 1,500 Soviet Chemical Biological Warfare trucks. They were original parked in De Soto, Mississippi. And they question "why is this stuff here?" And they say it's here because, it's sent from East Germany, here's the bill of lading stating it was purchased by the U.N., and they say it's going to be painted white and sent to Africa. Okay?

So, the thing is, that was kind of ridiculous, like they don't have any white paint in East Germany. So, it stayed in the United States and the equipment is just for **insurrection**. That's the only thing that this ...

INTERVIEWER: Biological weapons?

F-BMD: Right ... exactly. And you can see at the top, I'll just switch over, this is in Montana ... these are "flat cars [train] carrying military vehicles, some with the U.N. designation.

More helicopters, this is another helicopter in Mississippi.

INTERVIEWER: Another Soviet helicopter.

F-BMD: These are all Soviet helicopters. This is another Soviet helicopter, another one in Arizona, a different one. More Russian T-72 tanks, this one in Florida.

Going back to helicopters, more helicopters ... these are in hangers.

INTERVIEWER: Are these helicopters illegal, to have foreign troops on U.S. soil?

F-BMD: Right, I believe so, according to ... the thing is ... the expert has stated ... I don't know that the entire ... all the laws. But what I am saying is that from people who have looked at these things they say this is called "**pre-positioning**". When we send our stuff over to others countries ...

INTERVIEWER: Like we're doing in Bosnia?

F-BMD: Bosnia and so forth. It's call "pre-positioning". So, therefore there is a little bit bigger reason for this. You don't have, you know, American equipment and stuff of there is you're going to have Chinese people running it. You have the kind of equipment over there that if you want Americans running it you'd obviously send your own American equipment over there.

But now you have Russian equipment. So why would we have Russian equipment? And the reason is, that makes sense obviously, is that you're going to have Russian troops. And we do have Russian troops. According to people who have looked at these things, although we don't know exactly absolutely how much equipment, how many troops, the range is several hundreds of thousands ...

INTERVIEWER: This is foreign troops? Is it true that President Clinton actually signed an Executive Order to allow 300,000 Russian troops in this country?

"And That's What's Going To Happen!"
Bro Michael Dimond's 1996 Biblical End Times Prophecies
Is Dimond A False Prophet?

F-BMD: Yeah, and not only that. But, he's like he signed a [PDD-25](#); which is a secret presidential directive which surrenders basically all of the United States military over to the United Nations.

=====

CROSSROADS: Hmm, now that's a bold unfounded conspiratorial claim. So, do any foreign countries have military bases in the USA?

Though technically not foreign bases, there are foreign units permanently based in the US for training purposes.

It should be noted that the USA has 80 military bases spread out strategically across the world in various countries.

The assertion that there are approximately 300,000 Russian troops stationed in America is definitely a fabrication of Dimond's imagination; possibly due to reading too much sensationalized right-wing conservative propaganda.

As for Clinton's May 3, 1994 [Presidential Decision Directive 25](#), it was actually an Executive Order to limit the United States' involvement in United Nations Peacekeeping Operations.

PDD-25 created a "vital national interests test" to evaluate cases: this test limited United States involvement to those operations that

- 1) had US military officers in control of US troops,
- 2) a mission that was in the best interests of the US government, and
- 3) had popular domestic support for the operation.

=====

F-BMD: But, going back to this equipment, here's Russian Soviet bombers landing in Mississippi, in Cajun. You know this is all real, folks. They mean business.

Now they even train the cops in Kansas. And the San Francisco with police forces are working together. This is all about this surrendering to the United Nations.

Here are U.N. vehicles in Louisiana. There's 3 of them, all with the U.N. markings

INTERVIEWER: So these are American vehicles being repainted white.

F-BMD: Right, repainted white, exactly. So if you/people don't go along with this stuff they're going to be dealt with. They're either going to have to go along with this New World Order, go along with this thing, or they're going to be taken care of.

"And That's What's Going To Happen!"
Bro Michael Dimond's 1996 Biblical End Times Prophecies
Is Dimond A False Prophet?

And that's why you have pictures like this. You have prefabricated jail cells, this one is October 13th, San Antonio, Texas.

INTERVIEWER: This is a jail cell on wheels?

F-BMD: Right. Jail cells, yeah. And then you have right here in Oklahoma City, at the Will Rogers airport. Okay, this is a "transfer center". It's a federal transfer center. When you look at these long cubicles it kind of reminds you of what **Adolph Hitler** did. It's capable of handling 2,500 prisoners, at the same time.

And according to **Ted Gunderson** who's the head of the FBI, he's the former head of the FBI in Memphis, Dallas, and Los Angeles. He had 700 men under him in Los Angeles. And, you know? But, he knows exactly what he's talking about. He said they are building right now 80 new Federal Prisons. He said there is no reason for them to make those prisons. Who's going to be in there?

Who's going to be in there? That's going to be the people who don't go along with this. That's why you have this leftist legislation that's going through. You have bills like "**H.R. 666**"; which eradicates the 4th amendment. You can have your business, your property, anything that's deemed appropriate by the local police or government officials seized ... warrantless searches. And, so ...

And then you have the new anti-Terrorism bill the [Omnibus Crime Bill](#); which, at last count, was **H.R. 1710**, which basically, according to "gun law" says that anyone who believes in conspiracies or conspiracy theories will be jailed for at least 2 years and not more than 3 years as a first offence charge. So, basically, you're complete "freedom of speech" is totally eradicated. Okay?

And this is all documented. The antiterrorism bill [[Comprehensive Antiterrorism Act of 1995](#)] is covered. All this stuff that I just mentioned to you was quoted as to what this bill entails but hasn't been passed yet. But, this is exactly what's going to happen.

=====

CROSSROADS: Omnibus Counterterrorism Act of 1995

Following closely on the heels of the April 19, 1995 Oklahoma City Bombing and Executive Order 12947, prohibiting transactions with terrorists, President Clinton described the bill as a "comprehensive effort to strengthen the ability of the United States to deter terrorist acts and punish those who aid or abet any international terrorist activity in the United States" and requested "the prompt and favorable consideration of this legislative proposal by the Congress"

According to the summary by President Clinton, the bill was intended to establish federal criminal jurisdiction over acts of international terrorism. Civil liberty advocacy groups opposed the bill on the grounds that it would violate fundamental civil liberties, including the right to confront one's accuser. Another source of opposition was the government's ability to use evidence from secret sources in deportation proceedings for suspected terrorists.

=====

INTERVIEWER: So we're really having something like what we had during World War II. It's like the "[Fourth Reich](#)".

F-BMD: Right, exactly. Our Lady at Fatima mentions the "errors of Russia", okay? So, basically, it's the same thing. So we have a "[Commu-Nazi](#)" kind of system coming into play here in the United States.

It's interesting because they're starting to label everyone they call on the right as a Nazi, a Klu-Klux-Klanner, and all these people that are in the "[Aryan Nations](#)", and so forth. So they're all, they're "broad brushing" all these people into one group and they're making them look like the enemy; just like after the "[Oklahoma City Bombing](#)" they went after the militias and so forth. And the whole reason is, is because they're in the last line of defense to a total takeover by a government that's bent on treason. And the final goal is putting us under the United Nations.

But the United Nations is completely ... this is a [Luciferian](#) thing. These people are Satanic. They believe in what Adolf Hitler believed. Adolf Hitler's own book, after "[Mein Kampf](#)" (which was his first book), his second book which is called "[the New World Order](#)" (Neuordnung). And so these people really do believe in this new race, this new age. That's what they believe. And the people who don't go along with it, like I just mentioned, will be done away with.

But, as far as to show the United Nations is a Satanic organization. The people, [Helena Blavatsky](#), who established the "[Lucifer Publishing Company](#)" in 1890, this lady changed her company's name in 1922 to "Lucis Publishing Company", publishes U.N. books, pamphlets, etcetera. You go to New York, or other places you'll see that over the books you'll have book "published by Lucis Publishing Company". And the original name was "Lucifer Publishing Company". It's a cultic type of thing. They're going to have a one world church.

And that's what's going to happen.

=====

CROSSROADS: Concerning "Lucis Publishing Company", it is common knowledge that the U.N., when they do use outside publishing companies, require "bid submissions" and choose from those publishing companies that have proven themselves to be "dependable", their work to be "quality", and the price advantageous to the organization's budget.

It's also worth noting that the United Nations is "secular" in nature, they are not out to, nor do they have any intention to, establish a "One World Church." Dimond's supposition on this point is indeed bogus.

=====

"And That's What's Going To Happen!"
Bro Michael Dimond's 1996 Biblical End Times Prophecies
Is Dimond A False Prophet?

Once this one world church comes into play, you're going to have anyone who doesn't go along with it ... they're going to be denied [501-C-3 tax exempt status](#). And they're going to demonize these people that won't go along with this great new order, and this new religion which will be guided by the "false prophet", who's mentioned in Revelations 13:11, as ruling from a seven hills city, which is Rome. Okay? I believe it's the next Pope.

=====

CROSSROADS: Note well that Dimond just stated / declared that the "false prophet" mentioned in Revelations 13:11 was not John Paul II but rather would be his successor ... Joseph Ratzinger - [Benedict XVI](#).

=====

F-BMD: [Our Lady of La Salette](#) said on September 19, 1846, Rome would lose the faith and become the seat of the Antichrist. The church would go into eclipse. So basically, what's going to happen is you're going to have this false prophet come into play that these visionaries, these false ones, these phony ones, these are far more false apparitions than the true ones (like at Lourdes), there were 18 apparitions that were false besides the true one at Lourdes, there were 18 other ones in France that were false at the same time as the true one. So, there are far more false ones than true ones. And our Lord mentioned about false prophets and false Christs in the last times.

He didn't mention it once, He mentioned it 3 times. He mentioned it in Matthew 24:5,11, and 24; "to deceive even the elect if it were possible", in Matthew 24:24.

So that's what's going to happen.

Now this antipope will lead these people. These visionaries, they follow the pope. The pope will tell the people to follow this great man of peace, which will be the Antichrist.

And, so that's exactly what's going to happen.

Now the person that I think may very well be the Antichrist, a man called [Lord Maitreya](#). I don't know absolutely. I'm not saying I know these things. I'm just putting out information. It's up to you to decide.

=====

CROSSROADS: So, let me get this straight. In 1996, while wearing the black habit of a Benedictine monk Superior, speaking in the capacity of a person purported to be sitting in the place of Christ ... Dimond says that he "thinks" Lord Maitreya is the Antichrist, but doesn't know for sure, he's just putting out information, and that it's up to us to decide?

That ambiguity doesn't in anyway align with the comportment required of an Abbot/Superior found in Chapter II of the Holy Rule of St Benedict (What Kind of Man the Abbot Ought to Be?) where it states:

"And That's What's Going To Happen!"

Bro Michael Dimond's 1996 Biblical End Times Prophecies

“The Abbot who is worthy to be over a monastery, ought always to be mindful of what he is called, and make his works square with his name of Superior”

=====

F-BMD: But Maitreya is promoted by a man named [Benjamin Crème](#), he’s originally from London, England, that’s where Maitreya apparently resides, still residing in London, England.

But, he promotes Maitreya as being the great world teacher that’s coming, that will lead the world in this new millennium that’s coming. He’s everything, everyone, according to this ... this was put in many newspapers ... this was back in the early 1980s. They put whole page adds in London, Paris, “USAToday”, this is where this ad is from. It says in the topic “*The Christ Is Now Here, How Will We Recognize Him*”. It talks about Maitreya here, how he’s a great world teacher and he’s everything to everyone. You know ... he’s the Second Coming of Christ, he’s a Messiah to the Jews ... you know ... he’s everything to everyone. To the Buddhists he’s the 5th incarnation of Buddha. You know ... so he’s everything to everyone.

But, he’s really appearing, and there are even video tapes. He was kind of been silent for a while. But, in 1988 he did make a big appearance. He appeared before 6,000 people. And this was covered by an African newspaper, and I have a clipping of it here as you can see, “*Did Jesus Christ Comes to the City?*” And they explain here that he “**materialized**” in front of people, and then he appeared and then he disappeared after he gave his message. But it’s fascinating to see what he said. They all believed it was Jesus. And quoting in part, he said “... (?) ... to hold on to your faith as the world will be known more, we’re nearing the time of the reign of Heaven”. Okay?

And this is all what this Maitreya apparently said. And this was covered by the New American ... the [John Birch Society](#) had a book that was published and it showed a black and white photo of Maitreya, but here are some colored pictures of his appearance in Nairobi, [Kenya], Africa ... in front of 6,000 people. And you can see here, another close-up, in another shot standing close to this lady.

But when is this person, Maitreya, according to Crème, who is the one that is proclaiming him, sort of a John the Baptist,

=====

CROSSROADS: A sort of John the Baptist? Not at all. Benjamin Creme (5 Dec 1922 - 24 Oct 2016) was a successful Scottish artist, author, esotericist, and editor of Share International magazine; as well as a "Nucking Fut" (Euphanism).

He asserted that the Second Coming, prophesied by many religions, would come in the form of Maitreya, the World Teacher. Maitreya is the name Buddhists use for the future Buddha, but Creme claimed that Maitreya is the teacher that all religions point towards and hope for. Other names for him, according to Creme, are the Christ, the Imam Mahdi, Krishna, and the Messiah. Creme claimed Maitreya is the "Avatar for the Aquarian Age", is omniscient and omnipresent, and has lived in London since 19 July 1977.

Creme said that he was first contacted telepathically by his Master [Maitreya] in January 1959, when Creme was asked to make tape recordings of his messages. Creme first began to speak publicly of his mission on 30 May 1975...

His central message announced the emergence of a group of enlightened spiritual teachers who could guide humanity forward into the new Aquarian Age of peace and brotherhood based on the principles of love and sharing. At the head of this group would be a great Avatar, Maitreya, the World Teacher, expected by all the major religions as their "Awaited One": the Christ to the Christians, the Imam Mahdi to the Muslims, the Messiah for Jews and the 5th Buddha (Maitreya) for Buddhists.

=====

F-BMD: ... when does Crème say Maitreya is going to reveal himself to the whole world. I mean if this guy is this great person, this man of peace, and this great world teacher ... when is he going to reveal himself?

Well, according to Crème, this is an interview in 1991; he said there will be a "[Day of declaration](#)"; This Day of Declaration will be the day after the **World Economic Collapse**. He said in his own words; he says *"On the Day of Declaration the television networks of the world will be linked together by satellite; which are actually in place for this event. For the first time in human history the world teacher can present himself before the whole world. All eyes shall see him. This has never been possible before. Even if you're not watching television you will hear his words silently, telepathically; His thoughts, his ideas will enter telepathically into your mind. And at the same time his energy, which we call "the Christ Principle" will flow out in tremendous potency."* Okay?

And he said "there will be hundreds of thousands of miracle cures / healings all over the world." So, he's talking about the day after the World Economic Collapse, that's when he says he's going to come to power.

INTERVIEWER: Wait a minute, Brother. Wait a minute. What you're saying is that this Maitreya is going to reveal himself after an economic crisis that will be viewed throughout the world?

F-BMD: That's right.

INTERVIEWER: Are we not, it would seem like we're having more and more economic instability?

F-BMD: Right. But it's the thing. That dollar bill is a Federal Reserve note, printed by the FDIC, the [Federal Deposit Insurance Corporation](#). They're a corporation. They're international bankers that hold that. It's not part of our government. This is why JFK [[John Fitzgerald Kennedy](#) – 35th president] was in fact shot.

"And That's What's Going To Happen!"

Bro Michael Dimond's 1996 Biblical End Times Prophecies Is Dimond A False Prophet?

CROSSROADS: Did you catch that news flash?

Dimond has just declared in the video that he knows the reason why President John F. Kennedy was assassinated on November 22, 1963.

One thing is for certain ... Dimond's arrogance has no bounds.

=====

That was the real reason he was shot. Because on June 4, 1963, he signed executive order, I believe it was [11110](#) and he appropriated immediately 5.3 billion dollars to be immediately printed by the Treasury, not the FDIC. And this is the whole reason that they killed him. Because then that would have freed the American people monetarily. So this is why he was shot.

But the thing is, this is what's going to happen. You're going to have problems with the economy, a 17 trillion dollar debt, and all these economic analysts are saying it's going to collapse in just a short matter of time. The Japanese stock market is collapsing...

INTERVIEWER: The NIKKEI has some very big financial problems and pulled much money out of the United States.

F-BMD: Exactly. So that's exactly what's going to happen. They're all predicting like Hervey Wise (?), all these financial analysts are all saying that within the next year or two we're going to have this collapse. And with this collapse you have instability; the United Nations comes into full power, this Maitreya (or whoever) coming to power, this great world leader, and he's going to establish himself, and then you're going to get a **One World Mark System**.

And that's exactly going to happen next.

It's going to be a Satanic Marks System. If you look in the Bible, of course, you know this will happen. Revelations 13:16-18: Antichrist "... causeth all, both poor and rich, free and bond, to receive a mark in their right hand, or in their foreheads: so that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is 666."

Okay? Now, this is interesting because I got this, and this is mindboggling. This is really real. I'm not making this up. I got this at a drug store. I haven't checked in there lately but I sure it's probably still there. Because I haven't heard that they stopped it. There's a huge drug company in Florida and I was just shocked when I saw it. "**666 Cold Tablets**", decongestant. They had a cough medicine there. I just got the cold tablets. But what's fascinating is, I didn't even open up this box. A skeptic opened up the box and he looked at the tablets and he couldn't believe it. On each one of these tablets it had "666" on it.

=====

So this is real. They are very, very, blatant with this. Now, what's going to happen is that you will get this mark. And this is what's happening. We're going to go into this mark. Animals, now, there are 2 million animals in the United States that are injected with what's called a "[transponder](#)". A transponder is the size of an uncooked grain of rice, works through electric waves. Planes, for example, have had transponders in them for the last 40 years. That's the little blip on the air traffic controller's screen. Okay?

So they're going to put them into everything. All cars made after 1984 have electronic ignition systems in them. They have a transponder in them that operates that electronic ignition system and they can be shut down by a satellite even. In 1995, the cops have a thing call "auto-arresters". They can hang it out the [car] door and it can emit this beam that will hit your transponder and shutdown your car. They can shut them down from satellites. And these satellites track many things. There's some 66 different satellites up there and you can actually see some trucks with "warning: tracked by satellite".

And this is all part of it. We're going to go into this "[Orwellian](#)" thing. That's why Bill Clinton [42nd president] & Al Gore pushed for an electronic highway. This is for the fiber optic system that you see in many places throughout the country.

Now ... the amount of cameras that you see everywhere ... this is what's going to happen. The reason why they aren't moving cameras, well people say they don't move there is nothing bad about them. But they're set up in such a way that when you reach a certain point in the road that camera hits that point. And what I believe will happen is, according to "[Hughes Aircraft](#)" (down in California) had made a VIN transponder, a vehicle identification transponder. And now in many states you have a card on your windshield, you have a transponder on your windshield, the hammers will hit that VIN transponder, and it will go to the base (or whatever) and they'll know exactly where you are (anywhere) and they'll be able to "ticket" you and all in this "Orwellian" nightmare that's coming; which is the New World Order.

It's a "Satanic" cultic thing. This is the devil behind it, you know. It's just mindboggling...

F-BMD: Right. They know this more and more, as far as ... they're really cutting down, they're attacking cash, they're attacking privacy ... they're attacking all these things. That's why you have all these different checks, regulations, passes, inspections, all these things. This is so "Soviet". We're becoming the United States of the Soviet Union. This is all ... you have to share your papers.

Bill Clinton in the beginning of this year, he flashed a new "[Health Security Card](#)" that he wanted for every person. Why did he want it for every person? Because, "Control Factor". It's not that he was a good hearted person to give health care. Okay?

If he was good hearted he would have stopped abortion, but he kept it alive the day after he came into office by signing the a few executive orders. So, the thing is, he's on the road to Hell.

But, the thing is, what's happening here is you have these people that are not of "good will", they're not of God, they act as "*angels of light*" as St Paul says, and this is Satan appearing as an angel of light, it's a good thing but it's a totally to enslave you people. Their minds are enslaved. Their souls are enslaved. Now they're going to be totally enslaved.

[This part missing in Mark Nanneman's video]

Because, it's a punishment; it's a punishment for the pope, for example, rejecting Our Lady of Fatima's request. She asked on June 13, 1929; she said "... the moment has come when God has asked that holy father, all the bishops throughout the world, to consecrate Russia. My immaculate heart by this means it will be saved."

He [pope] hasn't done that yet. He hasn't revealed the "Third Secret" yet. And there are many things; and so we're past the point. That's why Our Lady Akita said "there will be fire falling from the sky."

You already have 95% of products, like you can see on this 666. You see the bar code. You see two little lines at the end, two little line in the middle, and two little lines at the other end. This shows 95% of the time, the same thing. Okay? Numerically that stands for 6. So, you have 666 on 95% of products. But the time is coming very soon when you'll have 666 on everything.

[Ralph Nader](#), a consumer advocate, as far as I know not a believer in anything, was asked the question: "Is there a number or mark planed for the hand or forehead in a new cashless society?" He said "Yes there is and I've seen the machines that are ready to put this into operations." Okay?

So, now in the military they get the thing called a "Marc Card", M A R C Card, Okay? That's what they're getting. So it's a Marks System.

There's another system called INS or Ins-pass for all people who come out of their country and into the United States and go to a separate line, okay? They get a card that's issued from the Justice Department. You stick the card in and they have a hand scanner. For example, you go right to JFK and you can see it. And you stick in your right hand, the Bible mentions the right hand not the left hand, but the right hand. And so you stick your right hand under there and it scans your hand ... you get an imprint ... but soon you'll have the transponder in it so you won't need a scan of your hand.

As you saw maybe in the movie "Demolition Man", I didn't see the whole movie but, in a clip in it the riots from the Los Angeles film they said "what are we going to do? How are people going to buy and sell?" So, the lady cop says, "through this ingenious invention of this doctor a tiny microchip is inserted in the hand." But it's conditioning people; this is exactly what's going to happen.

What will this work with? This will work with a master computer system; which will be ... this is in Brussels, Belgium ... it's called the "Beast". And as many people know this, they've heard the name, that it's the largest computer system in the world. It stands for "**Belgium Electronics Accounting Surveillance Terminal**".

Okay? So it's a satanic thing. It's the character, the mark of the beast.

And that's what's going to happen.

You know, this is exactly, you're going to get this marks system, and these people are very serious. And they're going to do a way. David Spangler mentioned about killing these people.

I have some more mindboggling quotes because they plan on reducing the population by 2 billion by the year 2000. This part of Global 2000, which was incorporated in ...

For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord." - Romans 8:35-39

=====

INTERVIEWER: So some of us are not really ... they don't want us around.

F-BMD: Right. Well the thing is, Our Lady of Fatima said, period: "the good will be martyred."

But **Global 2000**, which is incorporated under a **HR 907**, was introduced in January 28, 1981. House Resolution 907, like I mentioned, was called the "[Population Act of 1981](#)". It was sponsored by [Richard Ottinger](#) of New York. It was a plan, like I said, to reduce the population of the world by 2 billion by the year 2000 "by any means necessary." That's their own words used in the report. Now, Richard Ottinger, who I just mentioned, said "we will make God-like decisions on who lives and who will not.

Why Global 2000? According to Mike (?), [Zero Population Growth Incorporated](#) (ZPG), a private organization pushing the bill said "we have to make some people accept some difficult choices as inevitable."

Global 2000 says "If people want to live the good life we're going to have to have fewer people alive in the year 2000 than anyone dreamed possible."

[General Maxwell Taylor](#), 4 stars, said "I've already written of more than a billion people in Africa, Asia, and Latin-America."

INTERVIEWER: That's shocking.

F-BMD: Right. Well the thing is, he said these people plan to do this. They look at everyone else as meaning nothing. And that's why they're going around and giving condoms. They want to reduce the population. They're completely anti-life. They're anti-everything. And they're Antichrists.

"And That's What's Going To Happen!"

Bro Michael Dimond's 1996 Biblical End Times Prophecies

Is Dimond A False Prophet?

But, the thing is, and then finally before this, the Bible mentions a third person, a ruler of Russia. If you look at the book of **Ezekiel 38:2** and that mentions a man named "[Gog](#)". It says "Son of man, set thy face against Gog, the land of Magog, the chief prince of Mosoch and Thubal: and prophesy of him".

Okay ... what's Gog? Gog means chief prince or ruler. Mosoch means Moscow. Okay? Thubal means Tobolsk. It's a city west of Siberia. So it's pointing to Russia.

Okay? So what does it mention? If you look in Ezekiel 38 it mentions that Gog, this ruler of Russia leading an invasion with a coalition of nations (mentioned in Ezekiel 38:5), in the latter days and end-times. It mentions latter days and end-times Ezekiel 38:16 when that will happen. Okay, so it's now.

Now there is a person who does fit all of this stuff and his name is [Vladimir Zhirinovsky](#). This is a picture of him. His own autobiography is called "The Last Dash to the South". This man has already threatened cities and countries throughout the world (Nuclear Annihilation) and he's very blatant.

Some of his quotes; here's Zhirinovsky's attitude towards the nuclear bomb. He says, I'm not even going to say quote or unquote I 'm just going to run them off:

- "I will not hesitate to deploy atomic weapons to stop Germany and Japan from meddling in Russian affairs."
- "I will not hesitate to practice nuclear blackmail against the West in order to feed the hungry Russian masses."
- "I will bury radioactive waste along the Lithuanian border and put up powerful fans to blow the stuff across at night. They'll all get radiation sickness and die of it. When they either die off or get down on their knees I'll stop."
- "The world should really think twice about opposing us. After all is it really desirable to have World War III."
- "I Japan should press its demand for our Kuril Islands, I will sail our large navy around their small little island. And if they so much as chirp I'll I will nuke them."
- "The West will pay Russia not to use their nuclear weapons against Europe."
- "When I come to power, Germany and Russia will divide up most of Eastern Europe."
- "If Germany and Japan do not stop harassing Russia, bombs will fall on their cities."
- "As for the Baltics I will also cut off all shipments from Russia. No missiles, no timber, no oil, no machinery and the Lithuanian Republic will live no longer than 6 months."
- "I will reclaim Alaska for Russia. I yearn for the day when Alaskan territory will be returned to the fold of Russia following the breakup of the United States."

That's where the FEMA map comes in and we're broken up. He knows something obviously.

- "Our goal is to unite Russia to the boundaries of the old Soviet Union, including the Baltic States, and to turn others into nuclear waste dumps."
- "There will be no Lithuanians, Latvians, or Estonians in the Baltics. I will act as Hitler."

"And That's What's Going To Happen!"
Bro Michael Dimond's 1996 Biblical End Times Prophecies
Is Dimond A False Prophet?

Okay? He says:

- “We’re going to get it back. Whatever we had we’re going to get it back. Let us make others suffer. I say quite plainly when I come to power there will be a dictatorship when the presidential elections come in June of 1996, this year.”

He says again referring back to the United States:

- “We will not gloat when California joins Mexico, when Russia takes back Alaska, when America dissolves into a commonwealth of new states. The factories will close down. There will be no medicine and no food in America.”

The whole thing about this leader, this Gog, land of Magog, Vladimir Zhirinovsky was born and raised in Almaty, Kazakhstan. And Kazakhstan, according to any Russian historian knows this, is the ancient land of Magog. Ezekiel says this man will be from the land of Magog. He was born and raised in Kazakhstan; which is ancient Magog. And his goal, according to Ezekiel, what he’ll do in the latter day end-times, will lead his invasion with his coalition of nations into Israel.

And listen to this final quote. He says all the time about invading, military movement to the south, he says “This is the juice of my brain.”

Here’s the final quote and it sort of wraps it up.

- “The Russian army will assemble for the last time for its final southern campaign. A great historical mission has fallen to Russia, and it may be its last. Russia must therefore go south and reach the shores of the warm Mediterranean Sea and Indian Ocean. This is just not my whim ... it is Russia’s destiny. It is Fate. It is Russia’s great exploit because we have no other choice. There is no other way for us. It is Geo Politics. Our development demands it.”

=====

CROSSROADS: Well ... lucky for us that Dimond got this prediction wrong as well.

He’s not dead, yet, but Vladimir Zhirinovsky odds of becoming Russia’s president are about as good as a snowball’s chance in hell. And as Ezekiel 38:2 does not at all coincide with Vladimir Putin's life and times, it looks like we’re not as far into the end-times as Dimond would like us all to believe.

=====

F-BMD: And this will lead to World War III as Our Lady mentioned at Akita: “fire falling from the sky”).

And Psalms 97:3 says “a fire goeth out before him.”

Ezekiel 20:47 says “the flaming flame will not be quenched.”

"And That's What's Going To Happen!"
Bro Michael Dimond's 1996 Biblical End Times Prophecies
Is Dimond A False Prophet?

Zephaniah 1:18 say "the whole land will be devoured by the fire of his jealousy."

Joel 2:3 says "a fire devoureth before him."

If you look at 2 Peter 3:10 is says "the heavens will pass away with great noise and the elements will be burned up. And all of the works of the earth shall be burned up."

Revelations 8:7 says "a third of the trees will be burned up and all green grass was burned up."

Revelations 9:18 says "by these three a third of mankind was killed by fire, by smoke, by brimstone."

Okay?

Joel 2:30 says "I saw wonders in heaven and in the earth, blood, fire, and a pillar of smoke."

A pillar of smoke is a nuclear annihilation.

Zachariah 14:12 says "the men of those days, their eyes will be consumed out of their holes, their tongues will be consumed out of their mouths;"

So it's a nuclear explosion. That's why our Lord said, he mentioned that, no flesh, if he did not return, no flesh, no living creature will be saved had he not shortened those days.

So the whole question is ... is there a timetable? Is there any timetable?

The Bible mentions that God created the Earth in six days and the seventh day he rested. Okay?

It says in Genesis 1:31 "God created the Earth in six days and on the seventh he rested.", and in Genesis 2:3.

In 2 Peter 3:8 it says "a day is a thousand years and a thousand years are as one day."

In Psalms 90:4 is says "I saw a thousand years past as yesterday in your sight."

So a day's a thousand years and thousand years are as a day, so it makes sense that history would go on for 6 days or 6 thousand years, and God would rest to "reign for a thousand years." According to Ushers and Thilly (?), who is the most famous chronologist, he says from Adam to Christ is exactly 4,000 years; give or take a year or two. And from Christ, the birth of Christ, to our time is another 2,000 years, or 6 days, or 6,000 years.

And this is why you have the "mark system" in place, and here's why. Because you've never had a "mark system" in the forehead, or the right hand or the forehead, like the bible mentions; but now you do. In the 1990s it's been developed and it will be implemented by the year 2000, according to these people.

=====

"And That's What's Going To Happen!"

Bro Michael Dimond's 1996 Biblical End Times Prophecies

Is Dimond A False Prophet?

CROSSROADS: No matter how many scriptures Dimond can rattle off in succession, this prediction about the "mark system" being **implemented by the year 2000**; we can all attest to the fact that this never took place.

Dimond obviously allowed himself to be deceived by the far-right conspiratorial reading material he wasted his time in researching. He could have saved himself a lot of embarrassment if he'd simply obeyed Canon 17 of the Council of Chalcedon where all monastics were instructed by the Church Fathers:

"Those who practice monasticism in each city and territory are to be subject to the bishop, and are to embrace tranquility (Hesychia) and devote themselves to fasting and prayer alone; they are not to cause annoyance in ecclesiastical or public affairs, unless indeed for some compelling need they be permitted to do so by the bishop of the city."

Dimond proves over and over again in this video that he has a disobedient and rebellious (narcissistic) soul.

=====

F-BMD: This is where it fits in. Because in Revelations 20:4 St John says "then I saw them that were beheaded for a witness of Christ for the word of God that would not worship the beast or its image nor receive the mark on their right hand or forehead. And they lived and reigned with Christ for a thousand years."

So that's where it comes into play. At the end of the sixth day they reign for a thousand years. They don't refuse the mark on the right hand or forehead. And also you have in Matthew 24:3 the (?). The one is the Second Coming and the end of the world. And the Lord answered them, in Matthew 24:32-34. He said "... learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that summer is nigh. So also, when you see these things, know that it is near, even at the doors. Amen, amen, this generation shall not pass, till all these things be fulfilled."

What's the fig tree? The fig tree is Israel. In Joel 1:7 it says "my enemies have barked or stripped my fig tree," Israel.

In Hosea 9:10 it says "your fathers and forefathers were the first ripe in my fig tree," Israel.

In Ezekiel 36:8 it says "Israel, shoot forth thy branch."

So Israel is the fig tree.

Next question is then, what's a generation? According to Thilly (?) he said a generation is exactly 55.5 years. But he said from Adam, from Abraham to David there are exactly 2,166 that have transpired or that are passed and 42 generations during that time. That can also be found in Matthew 1:17 where it says "all the generations from Abraham to David are 14 generations. And from David to the carrying

"And That's What's Going To Happen!"
Bro Michael Dimond's 1996 Biblical End Times Prophecies

away into Babylon are 14 generations. And 14 generations up until the birth of Christ," and $14 \times 3 = 42$. And 42 into 2,166 gives you 51.5. And Israel, the fig tree, became a nation on May 14, 1948. And you add 51.5 plus May 14, 1948 gives you September or October 1999, at the end of the generation. Okay?

You also have what our Lord mentioned in Luke 21:24. He says "Jerusalem shall be trodden down by the Gentiles, until the time of the Gentiles be fulfilled."

Okay? Jerusalem reclaimed ... the Jews reclaimed Jerusalem during the "[Six Day War](#)", from June 6-10, 1967. So they fulfilled that prophecy. So, there are so many things that we could go into.

INTERVIEWER: Brother, what are, you know, with all these things; from China to this "nut" in Russia. And this guy is really sick, it's dangerous to us. What are we to do? How are we supposed to save our souls in this?

F-BMD: The whole thing in this, the whole purpose I'm doing this, is to make people change spiritually. Not just to say why believe in Jesus. Not say I'm already saved. That's baloney. That's not found in the bible anywhere.

Look at starting in James 2:15 or Apocalypse [Revelations] 20:13 where our Lord says "I come quickly and I render each man according to his works." Or Mathew 25:41 where he says "Where you see me hungry, thirsty, and naked," etcetera.

It's according to your works. Your works prove your faith, as St James says "even the demons believe."

=====

CROSSROADS: I certainly do agree with Dimond here when he says "Your works prove your faith"; as your works attest to the level of your obedience to the Laws which govern the Church.

And in this specific case, this 1996 video, Dimond proves that his work (his interpretation of biblical end-times prophecies) shows a lack of understanding on his part; which is why those viewing this video in 2020 can attest to the fact that his 1996 predictions / conclusions were bogus.

=====

So we must do more than just believe. We must have the works. And we must receive Him in the Blessed Sacrament.

John 6:53 says that Jesus said "unless you eat the flesh of the Son of Man and drink of His blood, you have no life in you." So, we cannot deny this. Unfortunately the Protestants don't believe in this. They don't not only proclaim this but they don't receive Jesus in the Blessed Sacrament. So really they don't have any "life" in them. Okay?

So the thing is, they're not fulfilling everything that our Lord commanded them. And that's what they really have to realize, and recognize, and understand; because, the time is running out for them to pick

"And That's What's Going To Happen!"
Bro Michael Dimond's 1996 Biblical End Times Prophecies

up on these things. It's really a situation where we've got to find out the truth. And the truth, of course will set us free, as our Lord says in John 8:32.

We have to ask our Lord, as our Lord said in Matthew 7:7: "Ask and you will receive, seek and ye shall find, and knock and it will be open unto you."

So, that's what we have to do in these last times ... because the time is running out.

=====

CROSSROADS: It's blatantly evident that Frederick (a.k.a. Brother Michael) Dimond doesn't have an answer to the interviewer's question as to what we're supposed to do, what concrete action we should take, after having listened to all his dooms day end-times rhetoric.

There's no apostolicity, no pastoral care, no real Christian charity to be found in Dimond's words. He's lost in his own self-aggrandizing delirium.

If MhFM were indeed a true Benedictine monastery then its Superior would have been ready and able, as a shepherd, to offer his "flock" a bit of hope to cling to.

But, then again, a true Benedictine Superior would have obeyed the dictates of the Church Fathers found in Canon 17 of the Council of Chalcedon (451) and never agreed to hold such a controversial interview in the first place.

=====

INTERVIEWER: Well, our time is running out on this tape, Brother. Can you tell us what it is we should do in the meantime? I mean, what should we do here to help ourselves?

F-BMD: Well, it's like I said. Start praying the Rosary, like Our Lady of Fatima requested and start wearing the brown scapular. Come into the Catholic Church, because there is no salvation outside the Catholic Church and there is no salvation outside the sacraments; which our Lord instituted. And he did give the power to the apostles and it descended to the ones that followed them. We have an "Apostolic Church", that's what Christ established.

=====

CROSSROADS: Isn't it rather bizarre that Dimond would mention that the Christ established an Apostolic Church ... yet his purported Catholic religious community (MhFM) that he "rules" over has no semblance of apostolicity found within it whatsoever?

Is Dimond A False Prophet?

And we have priests that can give us these sacraments through Christ, through Christ's power. And we must receive certain things.

We must obviously be baptized but we must receive the Blessed Sacrament. We fall into sin, obviously, as our Lord said in John 20:23, He says "Whoever's sin you shall forgive they are forgiven." So the priest has the power to forgive sins. You know, the Blessed Sacrament is the body, blood, soul and divinity of Jesus Christ. As he said in the upper room: "this is my body, this is my blood."

St Paul reaffirmed this in 1 Corinthians 10:16 where he says "Is not the chalice a blessing that we bless by partaking in the blood of Christ. And the bread that we break, is it not the partaking of the body of the Lord?"

And then he says in 1 Corinthians 11:29 "Therefore, let a man test himself before he drink of that cup or eat of that bread; because, he that eats and drinks unworthily shall be guilty of sinning against the body and blood of the Lord." St Paul doesn't say a symbol ... he says you actually sin against the body and blood of the Lord. That's way Satanists go to Catholic churches and take consecrated hosts from Catholic churches and they have their black mass.

And what's a black mass? A black mass is a total reversal of the Holy Sacrifice of the Mass. And they take that Catholic host, only a Catholic host; they do a horrible abominations and desecrations. That's why the attack is against the Church, against the priesthood, and everything about it. Because, that's the only thing they fear. As the Communists and so forth, they only fear the Catholic Church and they wanted to neutralize it ... and they've done a good job.

But this is why our Lord has to come and rescue His Church. And that's just about the way it looks.

CROSSROADS: In conclusion, my advice to you is to simply remember this:

Since the first century ... Christians have been watching and waiting for "the end of times" and we will continue to wait without fear. For a Catholic is a person of faith residing in a community of hope and charity.

But what of those tumultuous and threatening signs of "the end of times" that Dimond speaks of? Well my answer is that ... we, as Catholics (Christians), rejoice in them and are not afraid:

"And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh." -St Luke 21:28

And above all else remember:

"When Fear knocks on your door, send Faith to answer it."

"And That's What's Going To Happen!"
